Re: Invoice# 101

Dear Ms. Mazzoni:

On behalf of Pacific Gas and Electric Company, I am pleased to enclose a check in the amount of \$2,000,000 to support the rebuilding efforts of the five-county region of the North Bay to create healthier and more resilient communities.

One of PG&E's major priorities is to partner with organizations that, in turn, contribute to the economic vitality and quality of life in the communities we serve. As such, we value our partnership with the North Bay Foundation and look forward to a successful and collaborative relationship.

It is our understanding that these funds will not be used for federal, state, or local campaign activity, including independent expenditures to support or oppose candidates for elective office or lobbying efforts. Further, no portion of these funds should be considered a campaign contribution to any federal, state, or local campaign committee associated with this organization or to personally benefit, make a gift to, or compensate any public official or employee.

PG&E takes great pride in the community partnerships we have created and are grateful for the opportunity to support organizations, like the Rebuild North Bay Foundation, that are committed to building a more sustainable and resilient California.

Sincerely,

Travis T. Kiyota
